APPROVAL OF STATE ENGINEER
This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:
This permit is issued subject to all existing rights on the
source. A substantial headgate and measuring device must be installed
and maintained to facilitate the measurement and control of water. The
State retains the right to regulate the use of the water herein granted
at any and all times.
The amount of water to be appropriated shall be limited to the amount
which can be applied to beneficial use, and not to exceed 0.35
cubic foot per second, or a yearly duty of 4.0 acre-feet per acre of land irrigated.
Actual construction work shall begin on or before March 22, 1959.
Proof of commencement of work shall be filed before April 22, 1959.
Work must be prosecuted with reasonable diligence and be completed on or
before <u>March 22, 1960.</u>
Proof of completion of work shall be filed before <u>April 22, 1960</u> .
Application of water to beneficial use shall be made on or before
March 22, 1960 . Proof of the application of water to beneficial
use must be filed with State Engineer on or before April 22, 1961.
Map filed Apr. 15, 1958 under 17536WITNESS MY HAND AND SEAL this 22nd day
Commencement of work filed APR 7 1960   Of September 1958.
Proof of beneficial use filed.
